

System Types

Last Modified on 01/20/2023 3:41 pm EST

Create System Types to be used for reporting purposes and assigning. System Types are also a required field when adding a new system.

Adding a New System Type

Click "Add System Type" in the upper left corner of the page.

System Types		<input type="checkbox"/> Show Inactive System Types
+ Add System Type		
Name		
Access Control	Edit	Delete
Burglar Alarm	Edit	Delete

Name

Type a name to describe the system type.

Name		
<input type="text" value="Fire Alarm"/>	Update	Cancel

Update

Click update on the right side of the screen to save.
