

# Central Stations

Last Modified on 01/20/2023 4:01 pm EST

Add Central Stations to link to your systems. This is a required field when you create a new system.

Note: There are some pre-populated Central Stations listed here when you begin using AlarmBillr. Feel free to delete any that do not apply ("Delete" button on the right side of the page) or add one that is not listed.

## Adding a Central Station

**Central Stations**

Show Inactive Central Stations

Name	Service	
Acadian		<input type="button" value="Edit"/> <input type="button" value="Delete"/>
Affiliated		<input type="button" value="Edit"/> <input type="button" value="Delete"/>
COPS		<input type="button" value="Edit"/> <input type="button" value="Delete"/>

**Edit** x

**Name:**

**Service:**  
 ▼

**Endpoint:**

### 1. Add Central Station

Click "Add Central Station" in the upper left corner of the page.

### 2. Edit

Fill out the fields in the "Edit" box that appears.

### 3. Update

Click update in the bottom right corner of the page to save.
