

# Signal Types

Last Modified on 01/20/2023 4:02 pm EST

Create a listing of signal types associated with the zones entered in a customer's system page.

## Adding a Signal Type

Click "Add Signal Type" in the upper left corner of the page.

### Signal Types

Signal Types		<input type="checkbox"/> Show Inactive Document Types
Code	Description	
BURG	BURG	<input type="button" value="Edit"/> <input type="button" value="Delete"/>

### Code

Add a code to identify the signal type. This can be an abbreviation of the description.

Code	Description	
<input type="text" value="PANIC"/>	<input type="text" value="Panic Signal"/>	<input checked="" type="button" value="Update"/> <input type="button" value="Cancel"/>

### Description

Type a description to describe the signal type.

### Update

Click update on the right side of the screen to save.
