

Zones Tab

Last Modified on 11/07/2016 11:04 am EST

View and manage zones linked to this system.

Adding a Zone

Click "Add Zone" in the upper left corner of the screen.

The screenshot shows a software interface with a top navigation bar containing tabs: Notes, RMR, Work Orders, System Parts, Call List, Zones, and Docs (with a '0' next to it). Below the navigation bar is a section titled 'Zones'. At the top left of this section is a button with a plus sign and the text 'Add Zone', which is circled in purple. Below the button is a table with the following columns: Zone #, Signal Type, Authority, and Description. The first row of the table contains the following data: Zone # is '1', Signal Type is 'BURG', Authority is 'Police', and Description is 'Police'. To the right of the Description field are two buttons: an orange checkmark button and a grey button with a circular arrow icon.

Complete Fields

Complete Zone fields.

This is a close-up view of the 'Zones' table. The table has four columns: Zone #, Signal Type, Authority, and Description. The first row contains the following data: Zone # is '1', Signal Type is 'BURG', Authority is 'Police', and Description is 'Police'. To the right of the Description field are two buttons: an orange checkmark button and a grey button with a circular arrow icon.

Zone

Enter a zone number.

Signal Type/Authority

Select Signal Type and Authority for the zone from the dropdown box.(hyperlinks)

Description

Enter a description of the zone.

Save
